Francis Luseni - Managing Director

Nadia Kanu - CEO

Our team of experts are always professional to ensure they carefully understand some of the complex businesses and challenges of our clients. FNO encourages you to see who we are, but how we can achieve astounding results through our mix of contextual, cultural and emotional intelligence. We measure our success on the solid performance of our clients, our impact on the broader society and the growth opportunities we provide our people.

We are able to provide clients with advanced research, analysis, reporting and access to insights on their industries, market segments, competitors, new innovations and benchmarking amongst others at a global, macro and elementary level. With extensive knowledge on our surrounding environment, we have the ability to drive a deeper impact, both on the business and the society in which we function.
